This Total and permanent disability cover provides **you** with a lump sum payment if an **insured person** suffers a **total and permanent disability**.

The **policy schedule** will show which **insured person** this Total and permanent disability cover applies to and any Additional options that may apply.

2. Built-in benefits.

2.1 Total and permanent disability.

2.1.1 Total and permanent disability before age 65.

Total and permanent disability means that **we** are satisfied that one of the following events occurs before the **insured person's** 65th birthday:

a. Own occupation.

If own occupation is shown in the **policy schedule** for an **insured person**, then **they** have been absent from employment through sickness or injury for an uninterrupted period of three months, and in **our** reasonable opinion after considering all the medical evidence and other relevant evidence, has become so disabled that **they** will unlikely ever again to be able to work in any capacity in **their own occupation**,

Or

b. **Any occupation.**

If any occupation is shown in the **policy schedule** for an **insured person**, then **they** have been absent from employment through sickness or injury for an uninterrupted period of three months and in **our** reasonable opinion after considering all the medical evidence and other relevant evidence, has become so disabled that **they** will unlikely ever again to be able to perform **their own occupation or any occupation**,

Or

c. **Home duties.**

If the **insured person** was not **gainfully employed** immediately before the event causing disability due to undertaking full-time **home duties**, regardless of whether own occupation or any occupation is shown in the **policy schedule**, **total and permanent disability** shall mean that **they**, for an uninterrupted period of at least three months:

- have been under medical supervision with the complete inability to perform all normal **home duties**, and
- have been unable to leave the home without assistance, and
- in **our** reasonable opinion based on medical and other relevant evidence, is unlikely to ever again be able to perform all normal **home duties**,

Or

d. has suffered the total and permanent loss of the:

- sight of both eyes, or
- use of two limbs, or
- sight of one eye, and the loss of the use of either a whole hand, or a whole foot.

Loss of the sight in an eye must be confirmed by an ophthalmologist and measured by one of the following:

- visual acuity of less than 6/60 in the affected eye after correction, or
- a field of vision constricted to 20 degrees of arc or less, or
- a combination of visual defects resulting in the same degree of visual impairment as that occurring in either of the above,

Or

e. is totally and permanently unable to perform at least two **activities of daily living** as a result of sickness or injury without the assistance of an adult,

Or

The loss needs to be measured by clinical evidence and standardised tests which reliably measure the impairment in the following areas:

- Short or long term memory
- Orientation as to person (such as personal identity), place (such as location), and time (such as day, date and year)
- Deductive or abstract reasoning

2.1.2 Total and permanent disability from age 65 to age 70.

If **we** are satisfied that after the **insured person's** 65th birthday **they** were continuing to perform **their** usual occupational duties without limitation or restriction due to sickness or injury for at least 25 hours per week, then **we** will assess any claim for **total and permanent disability** made before **their** 70th birthday under the definition that applied before **their** 65th birthday.

If the **insured person** was performing **their** occupational duties with limitations or restrictions due to sickness or injury, **we** will assess the claim under the definition applying under section 2.1.4.

2.1.3 Home duties from age 65.

If the **insured person** was not **gainfully employed** immediately before the event causing disability due to undertaking full-time **home duties** and the event causing the **total and permanent disability** happens after **their** 65th birthday, **we** will assess the claim under the definition applying under section 2.1.4.

2.1.4 Total and permanent disability from age 70.

Where the event causing the **total and permanent disability** happens after the **insured person's** 70th birthday, or where sections 2.1.2 or 2.1.3 apply, the following definition applies:

Total and permanent disability means that **we** are satisfied that the **insured person**:

- a. has suffered the total and permanent loss of the:
- sight of both eyes, or
 - use of two limbs, or
 - sight of one eye, and the loss of the use of either a whole hand, or a whole foot.

Loss of the sight in an eye must be confirmed by a **specialist medical practitioner** and measured by one of the following:

- visual acuity of less than 6/60 in the affected eye after correction, or
- a field of vision constricted to 20 degrees of arc or less, or
- a combination of visual defects resulting in the same degree of visual impairment as that occurring in either of the above,

Or

- b. is totally and permanently unable to perform at least two **activities of daily living** as a result of sickness or injury without the assistance of an adult,

The loss needs to be measured by clinical evidence and standardised tests which reliably measure the impairment in the following areas:

- Short or long term memory
- Orientation as to person (such as personal identity), place (such as location), and time (such as day, date and year)
- Deductive or abstract reasoning

2.1.5 Partial benefit.

We will pay a partial benefit if the **insured person** suffers the total and permanent loss of use of one hand, one foot or the sight in one eye.

The loss of the sight must be confirmed by an appropriate **specialist medical practitioner** and measured by one of the following:

- visual acuity of less than 6/60 in the affected eye after correction, or
- a field of vision constricted to 20 degrees of arc or less, or
- a combination of visual defects resulting in the same degree of visual impairment as that occurring in either of the above.

2.2 How much do we pay?

When the **insured person** suffers a **total and permanent disability**, we will pay you either:

- the **sum insured**, or
- if the **total and permanent disability** is a **partial benefit**, 25% of the **sum insured** up to \$75,000.

Where the event giving rise to the payment of the **sum insured** was already covered at the **start date** by a policy issued by **us** or another insurer (existing policy), then **we** will reduce the **sum insured** and **our** payment so that when added to any amount paid or payable under the existing policy, the total for that **insured person** does not exceed \$5,000,000.

The Total and permanent disability cover **sum insured** will reduce by any partial payment of the **sum insured** payable under this cover. **We** will adjust the premium accordingly. If **we** pay the full **sum insured**, Total and permanent disability cover will end for that **insured person**.

2.2.1 Total and permanent disability cover – accelerated.

If the **policy schedule** shows Total and permanent disability cover – accelerated applies to an **insured person**, payment of the Total and permanent disability cover – accelerated **sum insured** is an advance payment of the Life cover this Total and permanent disability cover – accelerated is attached to. **We** will reduce that Life cover by the amount **we** pay for the **total and permanent disability** and adjust the premium accordingly.

Their Total and permanent disability cover – accelerated **sum insured** cannot exceed **their** Life cover **sum insured**.

2.3 Total and permanent disability early payment.

If the cause of the **insured person's total and permanent disability** is due to one of the below conditions, **we** will waive the requirement for **them** to be absent from employment or unable to undertake full-time **home duties** for an uninterrupted period of three months. The conditions are:

Where there is more than one beneficiary, **we** will divide the Financial planning benefit equally between those beneficiaries who each receive a benefit of at least \$100,000.

The reimbursement must be claimed within six months of receiving the lump sum benefit and will be payable only once in respect of all policies with **us** covering the same **insured person**.

You may exercise this Buy back option once only within 90 days after the end of the 12-month period and before the **insured person's** 65th birthday.

Once the Life cover has been bought back, the portion of the Life cover which has been bought back cannot be bought back again at any time.

Any Life cover bought back under the Buy back option will be subject to the same terms and conditions that applied to the Life cover when issued.
