

# Mortgage Protector. Monthly mortgage repayment cover.

## Your cover in detail.

### 1. Introduction.

This Monthly mortgage repayment cover provides **you** with a monthly payment while the **insured person** is **totally disabled** or **partially disabled**.

The **policy schedule** will show which **insured person** this Monthly mortgage repayment cover applies to and any Additional options that may apply.

### 2. Built-in benefits

#### 2.1 Total disability benefit.

If the **insured person**:

- has been **totally disabled** or **partially disabled** for the **waiting period**, and
- is **totally disabled** at the end of the **waiting period**,

**we** will pay **you** the **monthly benefit** monthly in advance from the end of the **waiting period** until the earliest of:

- **they** are no longer **totally disabled**, or
- the **benefit period** ends, or the cover ends (see section 7).

Any payment for a period of less than one month is calculated on a pro-rata basis.

### 2.1.1 Monthly benefit over \$5,000 at claim time.

If the insured person:

- a. Doesn't have a **mortgage**, the amount of **monthly benefit** in excess of \$5,000 will be reduced by **other income**.
- b. Has a **mortgage**:
  - if the amount insured at time of application is the total mortgage repayment, the amount of **monthly benefit** in excess of \$5,000 will be reduced by any **gross income**, or
  - if the amount insured at the time of application is the total mortgage repayment less **gross income**, the amount of **monthly benefit** in excess of \$5,000 will be reduced by any increase in the **gross income** between application time and claim time.

### 2.2 Partial disability benefit.

If the insured person:

- has been **totally disabled** or **partially disabled** for the **waiting period**, and
- is **partially disabled** either:
  - at the end of the **waiting period**, or
  - following a period of **total disability**,

**we** will pay **you** the Partial disability benefit monthly in arrears until the earliest of:

- **they** are no longer **partially disabled**, or
- the **benefit period** ends, or
- the cover ends (see section 7).

Any payment for a period of less than one month is calculated on a pro-rata basis.

#### 2.2.1 How much do we pay?

**We** will pay the lesser of:

- the **monthly benefit**, or
- $(A - B) / A \times \text{monthly benefit}$

'A' is **pre-disability income**.

'B' is the **monthly earned income**.

If the percentage loss of **monthly earned income** is 75% or more, **we** will consider the loss to be 100%.

The amount **you** receive including **other income** will not exceed 75% of the **insured person's pre-disability income**.

#### **Capacity to work.**

When the **insured person** is **partially disabled** and has the capacity to work more hours than **they** are working, **we** will calculate **their** benefit based on what **they** could reasonably be expected to earn. In this situation, **we** will pay:

$((A - B) / A) \times$  the **monthly benefit** less **other income**

- 'A' is **pre-disability hours**.
- 'B' is **post-disability hours**.

### **2.3 Family member support benefit.**

**We** will pay **you** this benefit when all the following apply to an **insured person**:

- a. **they** are **totally disabled** and confined to bed, and
- b. a **medical practitioner** certifies that **they** require full time care, and
- c. the income of one **immediate family member** stops as a result of that person providing **them** care.

**We** will pay an additional amount for a maximum of three months of the least of:

- one half of the **monthly benefit**, or
- \$3,000 per month, or
- the income foregone by the **immediate family member**.

The benefit is payable once only for the **insured person** and any amounts payable under the Hospitalisation/nursing care benefit will be deducted when calculating the benefit amount.

### **2.4 Hospitalisation/nursing care benefit.**

**We** will pay **you** the **monthly benefit** on a pro-rata basis for each full day an **insured person** is **totally disabled** in the **waiting period** and:

- a. is under the care of a Registered Nurse (on the advice of a **medical practitioner**) visiting at least once a day, and
- b. remains in or near a bed for a substantial part of each day, and
- c. has received that nursing care for at least 72 hours.

**We** will pay this benefit for the lesser of:

- the **waiting period**, or
- 90 days.

Subsequent claims under this benefit during the same **waiting period** do not require condition c. of this benefit to be satisfied again.

## 2.5 Rehabilitation and retraining benefit.

Where the **insured person** is **totally disabled** for longer than the **waiting period**, **we** may work with **them** to put a rehabilitation plan in place to help **them** return to paid work.

If the rehabilitation plan **we** agree to requires **them** to participate in a rehabilitation, retraining or re-education program to assist **them** to return to paid work for a minimum of 20 hours per week, then **we** will reimburse the costs approved by **us** provided they are not reimbursed, or able to be reimbursed, from any other source.

The reimbursement will be 50% of the approved costs incurred each month, up to a maximum of 50% of the **monthly benefit**, upon proof that **they** continue to fully participate in the program. The remaining 50% of costs, up to a maximum of 50% of the **monthly benefit**, will be reimbursed once **they** have returned to paid work for a minimum of 20 hours per week.

The maximum amount **we** will pay for each sickness or injury is equal to 12 times the **monthly benefit**. If **they** experience a recurrence of that sickness or injury either under the Recurring claim benefit under section 2.8 or Benefit period reset under section 2.9, **we** will only reimburse expenses up to the remainder of the maximum period not previously paid. If **they** experience a new disablement, **we** may consider reimbursement of further rehabilitation and re-training costs.

## 2.6 Recovery support benefit.

**We** will pay the costs, up to a maximum of six times the **monthly benefit**, of purchasing specialist equipment or completing home alterations which are reasonably necessary based on an external specialist assessment.

The costs under this Recovery support benefit include (but are not limited to) wheelchairs, artificial limbs, prosthetic devices, travel, and house and car modifications.

The Recovery support benefit will be reduced by any costs reimbursed from any other source.

The Recovery support benefit is paid in addition to the **monthly benefit**.

## 2.7 Relocation benefit.

If an **insured person**:

- a. has been residing outside New Zealand for more than three consecutive months, and
- b. is **totally disabled** while outside New Zealand, and
- c. a **medical practitioner** advises that **they** are likely to remain **totally disabled** for at least three months,

**we** will reimburse **you** the lesser of:

- \$5,000, or
- the actual cost of a single standard economy airfare from **their** location to New Zealand by the most direct route, less any amounts reimbursable from other sources.

**We** will pay this Relocation benefit once only for each **insured person** regardless of other covers which may include this Relocation benefit. This benefit is paid in addition to the **monthly benefit**. **You** will need to provide **us** with the original invoice and receipt for payment before **we** pay a claim.

## 2.8 Recurring claim benefit.

**We** will waive the **waiting period** on a recurrent claim if:

- a. an **insured person** was no longer **totally disabled** or **partially disabled**, and
- b. during the first 12 months after the claim ends, **they** become **totally disabled** or **partially disabled** again because of a recurrence of the same or related injury or sickness.

**We** will treat the recurrent claim as a continuation of the previous claim and these payments together with the payments made under the previous claim will be added together when applying the **benefit period**.

**We** will pay the Total disability benefit or Partial disability benefit from the date of the recurrence of the **total disability** or **partial disability** under the terms of section 2.1 or 2.2.

## 2.9 Benefit period reset.

The **waiting period** and a new **benefit period** will apply where an **insured person**:

- a. was no longer **totally disabled** or **partially disabled**, and
- b. has returned to full time paid work performing all the important income producing duties without limitation for at least:
  - 12 continuous months, where the full **benefit period** has not been used at the date of that recurrence, or
  - six continuous months where the full **benefit period** has been used at the date of that recurrence, and
- c. is not eligible for the Recurring claim benefit, and
- d. becomes **totally disabled** or **partially disabled** because of a recurrence of the same or related injury or sickness for which **we** have previously paid a **total disability** or **partial disability** claim under this Monthly mortgage repayment cover.

This Benefit period reset does not apply to **them** where **they** are **totally disabled** or **partially disabled** as a result of a **mental disorder** or **back disorder** where the Mental and back disorder limitation is shown in the **policy schedule** for **them**.

## 2.10 Waiver of waiting period.

**We** will not apply the **waiting period** on a new claim for an **insured person** resulting from a sickness or injury unrelated to a previous claim provided that:

- a **waiting period** applied to the previous claim, and
- the new claim occurs within 12 months of **their** return to work from the previous unrelated claim, and

- the new claim is for a continuous period of 30 days or more.

We will pay the Total disability benefit or Partial disability benefit from the date of that **disability** or **partial disability** under the terms of section 2.1 or 2.2.

## 2.11 Reduction in waiting period.

You can apply to reduce an **insured person's waiting period** without providing any health, occupation or financial information if a Key person cover or Business expenses cover **they** are the **insured person** on with us is cancelled. The **waiting period** on this Monthly mortgage repayment cover will be reduced to match the **waiting period** on the cancelled cover. The reduced **waiting period** on this cover will apply to the lesser of:

- the monthly benefit for the Key person cover or Business expenses cover when it was cancelled, or
- the **monthly benefit** for this cover.

If **they** resign from a job which results in either a reduction in sick leave entitlement or the loss of income insurance provided by **their** previous employer, **you** can apply for a reduction in **waiting period** without providing any health information. To support this application, **you** will need to provide **us** with the following:

- Details of the change in circumstance which supports the need for a shorter waiting period
- Occupation and financial information

### Conditions.

- You** must make the application in writing with supporting evidence within 60 days of the cancellation of cover or resignation from job.
- The **insured person's** resignation must not be due to retirement, ill health or incapacity.
- The **insured person** must be under the age 59 at the time of the reduction.
- The **insured person** must not have either had a claim paid or is entitled to be paid a claim under any policy with **us** or any other insurance company.
- The premiums must be up to date and not being waived for any reason.
- Your** premiums will increase with any reduction in **waiting period**.
- Once the **waiting period** has been reduced under this benefit, no further reductions will be allowed without evidence of health.

## 2.12 Future insurability.

You can increase an **insured person's monthly benefit** if **they** take out a new **mortgage** or increases **their** existing **mortgage** without providing additional health information in respect of **them**, subject to the conditions below.

We will calculate the premium increase based on the **insured person's** age, occupation and premium rates at the time of the increase.

a. **You** must apply for this benefit:

- within 90 days of the **insured person** taking out a new **mortgage** or increasing **their** existing **mortgage**. **We** will require evidence of the new **mortgage** or increase in the existing **mortgage**, and
- before **their** 50th birthday.

b. The maximum for any one increase is the lesser of:

- 115% of the increase in the **mortgage** repayment in excess of the **monthly benefit**, or
- \$300 per month.

c. The total of all increases under this option is 50% of the initial **monthly benefit**.

d. This Future insurability benefit is not available if the **insured person** is in the process of claiming or has claimed any benefit under this Policy.

### 2.13 Leave without pay.

**You** can apply to **us** in writing to ask **us** to suspend this Monthly mortgage repayment cover and its premiums for an **insured person** for up to 12 consecutive months. Leave without pay is only available for the following reasons: compassionate leave, maternity leave, paternity leave, sabbatical leave, study leave at a registered educational centre or involuntary unemployment. The period of leave without pay from **their** occupation must be for reasons other than disability.

You must advise **us** how long **you** want the cover and the premiums suspended. In applying for the Leave without pay benefit **you** acknowledge that reinstating this Monthly mortgage repayment cover within the 12-month period is **your** sole responsibility.

While this cover is suspended there will be no cover. This means **we** will not pay a claim for any event that would have been covered if this Monthly mortgage repayment cover was not suspended for any sickness or injury:

- which first existed, or
- where its direct cause first existed, or
- where the **insured person** first had knowledge, signs or symptoms of, whether or not medical treatment was sought, or
- where any test or investigation first showed its likely presence,

while **their** Monthly mortgage repayment cover was suspended.

**You** cannot make any claim for **them** unless **you** have restarted making premium payments and **they** have:

- returned to **their** usual occupation, and
- worked for at least 25 hours per week for at least one month after returning to work, and
- been continuously employed since returning to work, and

- returned to work within 12 months of the period of leave without pay starting.

**We** will pay a pro rata **monthly benefit** if **you** make a claim where **they** have returned to work part-time.

**Conditions.**

- This cover must have been in place for at least 12 consecutive months.
- We** will acknowledge the request and suspend this cover confirming that the Leave without pay benefit has been activated if a valid reason is given. **We** may require evidence of the reason for the suspension.
- Involuntary unemployment must not have occurred within six months of **their** Monthly mortgage repayment cover's **start date** or the date it or this Policy is reinstated. Involuntary unemployment does not include bankruptcy.
- The maximum **monthly benefit** that can be suspended under this leave without pay benefit is \$8,000 per month.
- You** can reinstate this Monthly mortgage repayment cover without providing **their** health information.
- From the date **you** reinstate this Monthly mortgage repayment cover, premiums are payable on the same terms that applied before the period of leave without pay or involuntary unemployment. **We** will base the premium on **their** current age at the date of reinstatement and the premium rates that apply at that time.
- They** must have had a continuous period of at least 12 months employment since the previous period of leave without pay or involuntary unemployment before **you** can use this leave without pay benefit again.
- The maximum period of leave without pay or involuntary unemployment is 12 months over the entire term of this Policy.

### 3. Additional options.

#### 3.1 CPI option.

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

How **we** apply the CPI option is set out in section 7 of the Policy terms and conditions.

The last increase under this CPI option for an **insured person** will be applied on the **policy anniversary** before **their** 65th birthday.

If **we** are paying **you** a Total disability benefit or a Partial disability benefit under this cover, **your** claim payments won't be increased by CPI unless the Claims escalation option is included in this cover.

### 3.2 Claims escalation option.

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

If the **monthly benefit** is paid continuously for more than three months, **we** will increase the **monthly benefit** on each quarter of the date payment started, by a rate **we** determine based on the percentage increase of the consumer price index. The amount of the increase in the **monthly benefit** will be the quarterly equivalent of the annual rate of the increase in the consumer price index **we** determine.

### 3.3 Extra benefits option.

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

The following benefits are included in this Extra benefits option:

#### 3.3.1 Death benefit.

If the **insured person** dies while this cover is in place, **we** will pay an additional amount equal to three times the **monthly benefit** to **their** legal personal representative.

#### 3.3.2 Specified medical condition benefit.

If the **insured person** suffers a specified medical condition as listed below and defined in section 9, **we** will consider **them** to be **totally disabled**.

Angioplasty – triple vessel	Coronary artery bypass surgery	Multiple sclerosis
Aorta surgery	Heart attack	Paralysis
Cancer	Heart valve surgery	Severe burns
Chronic kidney failure (renal failure)	Major organ transplant	Stroke

**We** will pay the **monthly benefit** for six months following **them** being diagnosed for the first time as having suffered from any of the above conditions, whether or not **they** are working. The benefit can be paid as a monthly benefit or a lump sum calculated by multiplying the **monthly benefit** by six.

The payment is instead of any other benefit under this cover. If **they** are **totally disabled** or **partially disabled** at the end of the six months, any further benefits will be determined under sections 2.1 or 2.2. If **they** die before the end of the payment period, and **we** were paying the benefit as a monthly benefit, **we** will pay the remainder of the monthly payments in a lump sum.

#### Stand-down period.

If the **conditions** stated below occurred or was diagnosed, or the signs or symptoms leading to diagnosis became apparent to the **insured person**, or would have become apparent to a reasonable person in **their** position, within three months:

- from the date **we** receive the **application** for this cover, then no benefit will ever be payable for that **condition** under this cover, or

- of the date of reinstatement, then no benefit will ever be payable for that **condition** under this benefit, or
- of the date of any increase in the **monthly benefit**, (excluding increases due to the CPI option), then no benefit will ever be payable for that **condition** for that increase in **monthly benefit**.

The stand down applies to the following **conditions**:

- Cancer, heart attack, or stroke**
- Angioplasty – triple vessel** if there was narrowing or blockage of one or more arteries
- Coronary artery bypass surgery** if there existed disease of the arteries
- Aorta surgery** if there was narrowing, dissection or aneurysm of the abdominal or thoracic aorta
- Heart valve surgery** if there was heart valve defects or abnormalities

The **stand-down period** will not apply if **they** had similar cover with **us** or another insurance company and this cover replaced that cover, up to the **monthly benefit** under the replaced cover, provided the previous cover had been in force for at least three months.

### 3.3.3 Specific injury benefit.

If an **insured person** suffers an injury listed below, **we** will pay the **monthly benefit** for the lesser of the payment period shown in the table below or the **benefit period**, whether or not **they** are working. This benefit is paid in advance from the date **they** suffer the injury and is not subject to **other income**.

If **they** suffer more than one listed injury, the injury that provides the longest payment period will be paid. The payment is instead of any other benefit under this cover.

If **they** are **totally disabled** or **partially disabled** at the end of the payment period, any further benefits will be determined under sections 2.1 or 2.2. If **they** die before the end of the payment period, **we** will pay the remainder of the monthly payments in a lump sum.

Specific Injury means:	Payment Period
Fracture of skull, jaw	30 days
Fracture of forearm, collarbone	30 days
Fracture of wrist, hand (excluding fingers)	45 days

Fracture means the disruption in the continuity of bone, with or without displacement, as a result of an accident. The fracture must be shown by radiographic or scanning techniques and must be diagnosed by a **medical practitioner** within 30 days of the incident giving rise to the fracture.

Fracture does not include:

- osteoporotic fractures, or
- an avulsion fracture, or
- a hairline fracture, or
- a stress fracture, or
- bone bruising.

Loss means the total and permanent:

- loss of the use of the hand from the wrist or the foot from the ankle joint, or
- loss of the use of the arm from the elbow or leg from the knee joint, or
- complete severance of the thumb and index finger from the metacarpophalangeal joint, or
- irrecoverable total loss of an eye or sight in the eye.

### 3.3.4 Total and permanent disability.

If the **insured person** suffers a total and permanent disability, **we** will pay 24 times the **monthly benefit** as a lump sum if a **monthly benefit** has been paid for 12 consecutive months in respect of **them**.

Total and permanent disability means that based on medical evidence and other relevant evidence, **they** are:

- unlikely to ever be able again to perform at least two of the **activities of daily living** without the assistance of an adult, or

- unable to perform one of the **activities of daily living** without the assistance of an adult and **their** intellectual capacity has deteriorated to such an extent that requires **them** to be under continuous full time care for **their** safety to prevent such situations including but not limited to wandering away from **their** usual place of residence, physical aggression, neglect of self-care, misjudging or causing situations that are dangerous for themselves or others.

### 3.4 **Booster benefit option.**

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

The following are included in this Booster benefit option:

#### 3.4.1 **Total disability booster.**

If **we** are paying **you** a Total disability benefit as set out in section 2.1, **we** will increase the amount **we** pay **you** for that **insured person** by one third for a maximum of three months from the end of the **waiting period** for any one continuous period of **total disability**.

This Total disability booster applies to a continuous period of **total disability** for an injury or sickness and does not apply to any other benefit payments for **them** under this Policy.

#### 3.4.2 **Partial disability booster.**

If **we** are paying **you** a Partial disability benefit as set out in section 2.2, **we** will increase the amount **we** pay **you** for that **insured person** by 25%, until the earliest of the following:

- 12 months from the date **you** are entitled to the Partial disability booster payment for that injury or sickness, or
- **we** have paid the Partial disability booster for a total of 12 months for that injury or sickness, including any period **you** receive the Partial disability booster due to **them** suffering a recurrence of that same or related injury or sickness, or
- **they** are no longer **partially disabled**.

This Partial disability booster applies to a continuous period of **partial disability** for an injury or sickness under this Monthly mortgage repayment cover and does not apply to any other benefit payments for **them** under this Policy.

The amount **you** receive including **other income** will not exceed 100% of **their pre-disability income**.

### 3.5 **Extended benefit option.**

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

If:

- they** meet the **occupation class 5** definition of **total disability**, and
- they** have reached age 65, and

c. The **monthly benefit**, subject to the limitations of section 2.1.1 of this cover was payable for at least three months before **their** 65th birthday,

then a benefit will be paid until the earlier of:

- **they** die, or
- **they** no longer being **totally disabled** to the extent of the **occupation class 5** definition.

The benefit payable after **their** 65th birthday will be equal to the monthly benefit paid before **their** 65th birthday and the Claims escalation option, if applicable, will not apply.

### 3.6 Mental and back disorder limitation.

If this option is included in this cover, the **policy schedule** will show which **insured person** this applies to.

If an **insured person** has this limitation and suffers from a **mental disorder** and/or a **back disorder**, **we** will pay benefits for a maximum period of 24 months regardless of the **benefit period**.

**We** will consider successive periods of **total disability** or **partial disability** due to the same or a related **mental disorder** and/or **back disorder** as an extension of the previous period of **total disability** or **partial disability**. **We** will reduce the maximum period under this clause by the length of time for which benefits have already been paid for **them**.

This Mental and back disorder limitation does not apply if **they** are unable to perform at least two **activities of daily living** without the assistance of an adult.

## 4. Claims.

### 4.1 Notice.

**You** or the **insured person** must notify **us** in writing immediately if **you** or **they** become aware of any circumstance likely to lead to a claim.

**We** will advise **you** or **them** of the requirements **we** need to assess **your** claim.

If **we** receive notification of a claim more than 60 days after the date **they** were **totally disabled** or **partially disabled**, **we** reserve the right to start benefits from the date of notification.

### 4.2 Obligations.

**You** and the **insured person** must throughout the life of the claim:

This may include blood tests and medical testing.
- Co-operate with **us** in development and implementation of any rehabilitation plan.

**You** must pay any expenses incurred in proving **your** claim.

If **you** or **they** do not meet any of the above when reasonably requested by **us**, **we** have the right to either decline or stop the claim. **We** will give **you** notice in writing of **our** intention to stop the claim and set out **our** requirements to restart payment. Payments will not be made for any time the claim was stopped and will only recommence from the date **we** receive all the outstanding requirements.

#### 4.3 Payments.

Benefits are paid monthly in arrears unless otherwise specified. Any payment for a period of less than one month is calculated on a pro-rata basis.

### 5. Exclusions.

**You** cannot claim under this cover for sickness or injury in connection with:

- The normal effects of pregnancy or childbirth.
- Self-inflicted act or injury.
- Any specific event or cause agreed between **you** and **us** and endorsed on the **policy schedule**.

#### 6.2 Unemployment.

If the **insured person** has been unemployed or on parental leave for 12 months or more immediately before a period of **total disability**, then **we** will consider the **occupation class** to be **occupation class 5** and will pay the claim on that basis.

Long service or sabbatical leave is not considered as unemployment.

**Other income** will be deducted from any benefits payable.

### Pre-disability income.

The **insured person's** average **monthly earned income** for any 12 consecutive months in the three years immediately before the **total disability** or **partial disability** started. **We** will not include any period during which **they** have received a Total disability benefit or Partial disability benefit in the three-year period and will extend the three-year period by that period.

While the **insured person** is **totally disabled** or **partially disabled**, pre-disability income will be increased on the claim anniversary by a rate **we** determine based on the percentage increase of the **consumer price index**.

### Totally disabled/total disability.

For **occupation classes** 1, 2, 3 and 4:

The **insured person** is totally disabled if as a direct result of sickness or injury **they** are:

- under the regular and personal care of a **medical practitioner**, and
- unable to:
  - a. perform at least one important income producing duty, or
  - b. engage in **their** own occupation for more than 10 hours per week, and
- not engaging in any occupation other than up to 10 hours per week in **their** own occupation.

For **occupation class 5**:

The **insured person** is:

- disabled to such an extent that necessitates confinement to the home under medical supervision or to a recognised medical institution and necessitates receiving regular medical care, or
- as a result of sickness or injury, **they** are unable to perform at least two of the **activities of daily living** without the assistance of an adult, and
- not working in any gainful occupation.

#### **Waiting period.**

The period shown in the **policy schedule** that must have passed before a benefit can be paid under this Policy unless stated otherwise. The waiting period starts from the date the **insured person** receives written notification from an appropriate **medical practitioner** confirming **they** are unable to work due to **total disability** or need to reduce hours of work due to **partial disability**.

#### **Whole person function.**

The evaluation of whole person function derived from the most recent edition of the American Medical Association's book Guides to the Evaluation of Permanent Impairment (Guides) as assessed by an appropriately qualified **medical practitioner**.

## **9. Specified medical condition definitions.**

### **Angioplasty – triple vessel.**

Undergoing a coronary artery angioplasty to correct narrowing or blockage of three or more coronary arteries within one or more procedures within a two-month period.

Angiographic evidence indicating obstruction of the treated coronary arteries and confirmation from a **specialist medical practitioner** is required to confirm that the procedure is **medically necessary**.

### **Aorta surgery.**

Surgery, including minimally invasive surgery or percutaneous procedures, to correct any narrowing, dissection or aneurysm of the abdominal or thoracic aorta by repair or its replacement.

### **Cancer.**

The confirmed presence of one or more invasive malignant tumours diagnosed by a **specialist medical practitioner** with supporting histological evidence of uncontrolled growth of malignant cells and invasion of normal tissue beyond the basement membrane. The term malignant tumour also includes leukaemia, sarcoma, malignant bone marrow disorders, and malignant lymphomas.

In addition to the above, only cancers meeting the following specified level of advancement for that cancer are covered:

- Hodgkin's and Non-Hodgkins lymphoma (all stages)
- Chronic lymphocytic leukaemia of Rai stage 1 or higher
- Malignant melanomas meeting any of the following criteria:
  - at least Clark Level 3 depth of invasion, or
  - 1mm Breslow thickness or greater, or
  - showing evidence of ulceration
- Prostatic cancers meeting any of the following:
  - at least TNM classification T2, or
  - a Gleason score greater than or equal to 6, or
  - the entire prostate has been removed through a prostatectomy, or
  - **medically necessary** treatment by radiotherapy or chemotherapy has been performed.

- Papillary and follicular carcinoma of thyroid of at least TNM classification T2
- Squamous cell carcinomas of the skin where the carcinomas have spread to other organs, bones or lymph nodes
- Other cancers not listed above of at least TNM classification T1

All other cancers are not covered. Specifically excluded are:

- Tumours showing the malignant changes of carcinoma-in-situ (including cervical dysplasia CIN1, CIN2 and CIN3).
- Tumours histologically classified as pre-malignant or having low-malignant potential.
- All hyperkeratoses or basal cell carcinomas of the skin.

#### **Chronic kidney failure (renal failure).**

End stage renal failure diagnosed by an appropriate **specialist medical practitioner** and presenting as chronic irreversible failure of both kidneys to function and resulting in regular renal dialysis being started.

#### **Coronary artery bypass surgery.**

**Medically necessary** coronary artery bypass graft surgery to correct coronary artery disease that is causing inadequate myocardial blood supply.

Angioplasty, intra-arterial procedures and other non-surgical techniques are excluded.

#### **Heart attack.**

The death of a portion of heart muscle as a result of inadequate blood supply. The basis of diagnosis must be confirmed by an appropriate **specialist medical practitioner** and evidenced by a typical rise and/or fall of cardiac biomarkers (Troponin I, Troponin T or CK-MB) and must also be supported by one of the following changes consistent with a heart attack:

- new cardiac symptoms and signs, or

- electrocardiogram (ECG) tests showing new significant changes, or
- imaging evidence of new loss of viable myocardium or new regional wall motion abnormality.

If the above tests are inconclusive, **we** will consider other appropriate and medically recognised tests in support of the diagnosis.

The following are excluded:

- other acute coronary and other non-coronary syndromes, including but not limited to angina pectoris, and
- a rise in biological markers as a result of an elective percutaneous procedure for coronary artery disease.

#### **Heart valve surgery.**

Surgery, including minimally invasive surgery or percutaneous procedures, to replace or repair a cardiac valve or valves as a consequence of heart valve defects or abnormalities.

#### **Multiple sclerosis.**

The unequivocal diagnosis by an appropriate **specialist medical practitioner** of multiple sclerosis confirming more than one episode of well-defined neurological abnormalities and:

- at least 25% permanent impairment of **whole person function**, or
- the permanent inability to perform at least one of the **activities of daily living** without the assistance of an adult, or
